

## PART TIME CO-OP

Local established hardware & software design engineering company seeks 1st - 3rd year EE & CPE students for part-time positions. Responsibilities include embedded hardware and software design support, building and testing prototypes, maintaining computer network, assembling and testing company designed products. Graphics design experience a plus.

Previous coding experience with the ability to discuss puts qualified candidates at the top of the list.

### RESPONSIBILITIES/REQUIREMENTS:

- 20-hour work week, flexible
- Students approx. 18 months out from graduating; CPE/EE or comparable program
- Minimum 3.0 GPA
- Excellent communication skills: written and oral
- Self-directed/entrepreneurial attitude
- Team player
- Desire to learn micro controllers and embedded software
- Stand-out candidates will likely be hackers, makers, or micro controller enthusiasts
- They've got to have a love for electronics
